

REGISTRATION PROCEDURE

The Board will designate a deadline for the completion of team and player registration prior to each season.

All players must be female and at least eighteen (18) years of age at the time of registration and comply with the requirements listed in the SCWSL.

All Players

1. Must create an account and register through the scwsl.net website
2. The following will be required before registration can be completed:
 - All new players will be required to email a photo ID with birth date (i.e., Driver's License, State ID Card, Passport, etc.) to scwslreg@gmail.com. Indicate what team you are registering for in the subject line.
 - Agree to the Waiver of Liability and Release during the registration process
 - Upload a picture during the registration process ("selfie" with no sunglasses or hats and looking at the camera).
3. Pay team fees as required by the team manager (fees may vary per team)

Team Registration

1. By the date set forth by the SCWSL Board, the Team Manager must update and return the roster provided to them by the Registrar.
2. After the roster is submitted, all further changes can be made by emailing the following information to scwslreg@gmail.com:
 - List of players to be removed from the roster
 - List of players to be added to the roster
 - Players full name
 - Player's birthday for confirmation
3. The Team Manager may change their roster throughout the season as long as:
 - The team does not exceed 25 players
 - Changes are made by noon on Thursday
4. Players will not be added onto a team without confirmation to the Registrar from the Team Manager.

Transferring to a New Team

1. A player who would like to move to a new team may do so once they are released from their previous team.
2. The current Team Manager must remove the player from their roster before the player can be added to a new team.
3. The current Team Manager may decline the transfer for any of the following reasons:
 - The player owes team fees from a previous season or has started the season with the team and has not paid the current team fees
 - The player has not returned team equipment (i.e., jersey, penny, etc.)
 - The player is currently playing regularly with the team and the loss of the player would cause a hardship to the team
4. The current Team Manager must release the player if requested between seasons and the player has returned all their team equipment and all past fees have been paid.

Dropping a Player

1. A Team Manager has the right to drop a player from the team at any time.
